refuel

Life can get exhausting. If you are a college student or young adult (in your 20's) then we have Fri, Feb 17, 6-8p, set aside just for you. Come spend an hour or two just worshipping God and letting the spirit move. This night is about meeting God right where we are, and letting Him do the refueling in our life. Come for a night of loud worship, prayer, and rejuvenation.

Rock Hill Church will host "The Art of Marriage" Feb 17 (7-9:30p) and 18 (9A-4P). The cost is \$50 per couple; it covers the workbook, snacks, and Sat lunch. Childcare will be available Sat. (Hey college kids, wanna help in this event's nursery?) Check your Engage! form and we'll get you more info.

Core Values

Ardent— God wants us to live our lives with passion! We desire to live life at full throttle for God.

Net—Jesus said, "I will make you fishers of men." We are a fishing church—committed to going where the needs are real and urgent.

Connected—Life is most fully lived when we use our spiritual gifts and abilities in interdependent relationships, which form the foundation for understanding what it means to be Christ followers.

Hearing—Jesus did only what the Father told him to do, and since we aim to be like Him, we seek to hear what God is asking us to do and do it!

Outfitted—The journey of life is best traveled when we are fully equipped for the challenges that it brings.

Real and Accountable—The world has had enough of phony and independent. We want real life, with real relationship, for real change.

just do it!

God calls. We answer. No delay. As a church and as individuals, we are striving to get better at this.

We want to switch the question from "how can I be served?" to "how can I serve?" When we get the answer, we want to obey. We want to just do it. So, here's...

february's challenge

Shovel a neighbor's walk, or if the snow never comes, bake them cookies.
